Full Line Disposable Paper & Plastic Packaging MFG.

COMPLETELY & RELIABLY LEAK-PROOF

VG Fresh View Bowls are the perfect on the go packaging. With new enhanced seal design, they are completely and reliably leak proof so you never have to worry about messy spills when packing liquid ingredients such as yogurt and condiments.

The accompanying lid ensures a snug and secure fit to eliminate messes and spills. There's a loud 'click' sound giving you an added confidence that whatever you've packed inside will definitely not leak out.
